THE POWER OF RELATIONSHIPS

The First Tee Coaches are trained to create positive relationships that inspire youth to discover their individual potential.

Our programs help young people build **CONFIDENCE**, develop **RESPECT** and appreciate the value of giving back to their **COMMUNITY** all while learning the lifelong sport of golf.

Using the Life Skills curriculum and 9 Core Values of the First Tee, your child will not only become a better golfer, but a more responsible child.

Passing golf skills challenges, basic rules tests, and knowledge of The First Tee 9 Core Values at each level will allow your child to become a member of The First Tee of Southeast Wisconsin and continue on to higher levels of the program.
